

This is a digital copy of a book that was preserved for generations on library shelves before it was carefully scanned by Google as part of a project to make the world's books discoverable online.

It has survived long enough for the copyright to expire and the book to enter the public domain. A public domain book is one that was never subject to copyright or whose legal copyright term has expired. Whether a book is in the public domain may vary country to country. Public domain books are our gateways to the past, representing a wealth of history, culture and knowledge that's often difficult to discover.

Marks, notations and other marginalia present in the original volume will appear in this file - a reminder of this book's long journey from the publisher to a library and finally to you.

Usage guidelines

Google is proud to partner with libraries to digitize public domain materials and make them widely accessible. Public domain books belong to the public and we are merely their custodians. Nevertheless, this work is expensive, so in order to keep providing this resource, we have taken steps to prevent abuse by commercial parties, including placing technical restrictions on automated querying.

We also ask that you:

- + *Make non-commercial use of the files* We designed Google Book Search for use by individuals, and we request that you use these files for personal, non-commercial purposes.
- + *Refrain from automated querying* Do not send automated queries of any sort to Google's system: If you are conducting research on machine translation, optical character recognition or other areas where access to a large amount of text is helpful, please contact us. We encourage the use of public domain materials for these purposes and may be able to help.
- + *Maintain attribution* The Google "watermark" you see on each file is essential for informing people about this project and helping them find additional materials through Google Book Search. Please do not remove it.
- + *Keep it legal* Whatever your use, remember that you are responsible for ensuring that what you are doing is legal. Do not assume that just because we believe a book is in the public domain for users in the United States, that the work is also in the public domain for users in other countries. Whether a book is still in copyright varies from country to country, and we can't offer guidance on whether any specific use of any specific book is allowed. Please do not assume that a book's appearance in Google Book Search means it can be used in any manner anywhere in the world. Copyright infringement liability can be quite severe.

III. chap 84, for the purpose of receiving proposals for Presentments, and also for receiving Accounting Affidavits for Work done pursuant to Presentment.

We direct that One Hundred Copies of the Presentments made at this Assizes shall be printed and distributed in the usual manner ; and that One Hundred Copies of the Schedules of Affidavits, or Proposals made at the Special Sessions above named, shall be printed and distributed in the usual manner.

We direct that no Work shall be done in future to the Gaol or Court-House without a proper Estimate being first presented of such works, and approved of by the Grand Jury ; and we recommend that no money be granted hereafter by the Grand Jury for any works for which such an Estimate shall not be presented.

We direct the Supervisors to provide gravel or small stones for repairing the roads under their inspection, out of the 2d. per perch allowed to the Deputy-Supervisor ; and it is recommended to future Grand Juries to refuse Presentments for Trespass in drawing gravel for Supervisors' roads.

Two Shillings and Six Pence per diem is the utmost that will be allowed for a Horse and Leader, and Ten Pence per diem for each Man at work on the roads ; and every Accounting Affidavit must state the name of each person working on the road, and the names of the owners of Horses employed, with the number of days each worked ; and the roads are to be repaired with stones broken small, not with gravel.

We order the Collector of Grand Jury Cess to lay on the Grand Jury table, on the second day of each Assizes, a List of the Insolvencies which may occur in the previous collection.

We order that if the Court-House Keeper permits the Grand Jury Room or its Offices to be used by persons not entitled, he shall be charged for any repairs necessary, and also fined for a breach of this order.

We order that all Accounts, Bills, and Documents, of every description, on which money is sought to be presented or accounted for, shall be left with the Secretary one day at least previous to each Assizes, otherwise they will not be taken into consideration by the Grand Jury; and in the Affidavits annexed thereto must be stated, that the work done, or the articles furnished (as the case may be) were of the best kind, and the prices charged for same are the usual prices for such work, and the charges fair and reasonable.

Grand Jury Orders.

SPRING ASSIZES, 1825.

We appoint a Special Sessions to be held for the County of said City, at the New Court-house in said City, at the hour of One o'Clock in the Afternoon of the Monday next but one of the day which will be appointed for holding the next Summer Assizes for the City of Kilkenny, under and pursuant to the 59 Geo. III. chap 84, for the purpose of receiving proposals for Presentments, and also for receiving Accounting Affidavits for work done pursuant to Presentment.

We direct that One Hundred Copies of the Presentments made at this Assizes shall be printed and distributed in the usual manner; and that One Hundred Copies of the Schedules of Affidavits, or Proposals made at the Special Sessions above named, shall be printed and distributed in the usual manner.

We direct that no Work shall be done in future to the Gaol or Court-house without a proper Estimate being first presented of such works, and approved of by the Grand Jury; and we recommend that no money be granted hereafter by the Grand Jury for any works for which such an Estimate shall not be presented.

We direct the Supervisors to provide gravel or small stones for repairing the roads under their inspection, out of the 2d. per perch allowed to the Deputy-Supervisor; and it is recommended to future Grand Juries to refuse Presentments for Trespass in drawing gravel for Supervisors' roads.

Two Shillings and Six Pence per diem is the utmost that will be allowed for a Horse and Labourer, and Ten Pence per diem for each Man at work on the roads; and every Accounting Affidavit must state the name of each person working on the road, and the names of the owners of Horses employed, with the number of days each worked; and the roads are to be repaired with stones broken small, not with gravel.

We order the Treasurer and Collector of Grand Jury Cess to lay on the Grand Jury table, on the second day of each Assizes, a List of the Insolvencies which may occur in the previous collection.

We present and appoint the Right Hon. the Earl of Ormonde, Sir Wheeler Cuffe, Bart., Samuel Mathews, Joseph Greene, Joseph Bradish, John Barwis, Christopher Humfrey, Redmond Reade, Richard Sullivan, Charles Madden, William Kingsmill, and Thomas C. Duffy, Esqrs. to be a Board of Superintendence of the Gaol, pursuant to 3d Geo. IV. chap 64.

2 We order that the Conservator be informed by our Secretary that his salary shall be discontinued if he shall neglect his duty in keeping the streets and avenues leading to the City free from nuisances, such as dung pits and heaps, pigs, timber, stones, empty cars, and so forth; and that he is to lay his report of the state of the roads, &c. before the Grand Jury on the first day of every Assizes.

2 We order that if the Court-house Keeper permits the Grand Jury Room or its Offices to be used by persons not entitled, he shall be charged for any repairs necessary, and also fined for a breach of this order.

We order that all Accounts, Bills, and Documents, of every description, on which money is sought to be presented or accounted for, shall be left with the Secretary

one day at least previous to each Assizes, otherwise they will not be taken into consideration by the Grand Jury; and in the Affidavits annexed thereto must be stated, that the work done, or the articles furnished (as the case may be) were of the best kind, and the prices charged for the same are the usual prices for such work, and the charges fair and reasonable.

We order that a Copy of the foregoing Orders shall be posted in the Grand Jury Room on the first day of each Assizes.

We present the balance due by Robert Way, Esq. the late Treasurer of this City, to be One Hundred and Thirty-five Pounds, Eighteen Shillings, and Seven Pence.

We present the amount of the balance in the Treasurer's hands on the first day of this Assizes to be £ 305 10s. 3d. as per his account furnished to the Grand Jury.

We present the amount of the Treasurer's security to be, himself in the sum of £ 2,000, and two sureties in the sum of £ 1,000 each.

We present the amount of the Queries on the Quere Book, unaccounted for at this Assizes, to be £ 1258 6s. 11½d.

III. chap 84, for the purpose of receiving proposals for Presentments, and also for receiving Accounting Affidavits for work done pursuant to Presentment.

We direct that One Hundred Copies of the Presentments made at this Assizes shall be printed and distributed in the usual manner; and that One Hundred Copies of the Schedules of Affidavits, or Proposals made at the Special Sessions above named, shall be printed and distributed in the usual manner.

We direct that no Work shall be done in future to the Gaol or Court-house without a proper Estimate being first presented of such works, and approved of by the Grand Jury; and we recommend that no money be granted hereafter by the Grand Jury for any works for which such an Estimate shall not be presented.

We direct the Supervisors to, provide gravel or small stones for repairing the roads under their inspection, out of the 2d per perch allowed to the Deputy-Supervisor; and it is recommended to future Grand Juries to refuse Presentments for Trespass in drawing gravel for Supervisors' roads.

Two Shillings and Six Pence per diem is the utmost that will be allowed for a Horse and Labourer, and Ten Pence per diem for each Man at work on the roads ; and every Accounting Affidavit must state the name of each person working on the road, and the names of the owners of Horses employed, with the number of days each worked ; and the roads are to be repaired with stones broken small, not with gravel.

We order the Treasurer and Collector of Grand Jury Cess to lay on the Grand Jury table, on the second day of each Assizes, a List of the Insolvencies which may occur in the previous collection.

We present and appoint the Right Hon. the Earl of Ormonde, Sir Wheeler Cuffe, Bart., Samuel Mathews, Joseph Greene, Joseph Bradish, John Barwis, Christopher Humfrey, Redmond Reade, Richard Sullivan, Charles Madden, William Kingsmill, and Thomas C. We order that if the Court-house Keeper permits the Grand Jury Room or its Offices to be used by persons not entitled, he shall be charged for any repairs necessary, and also fined for a breach of this order.

We order that all Accounts, Bills, and Documents, of every description, on which money is sought to be presented or accounted for, shall be left with the Secretary

Grand Jury Orders.

SUMMER ASSIZES, 1827.

We re-present the Sum of Ninety Pounds now in the Treasurer's hands to provide New Weights and Measures, to be paid by him to the Board of Superintendence, in addition to the £100 presented to them at this Assizes, to provide Bread, Milk, &c. for the Prisoners.

We authorise the Board of Superintendence to make provision (out of the funds which we have placed at their disposal) for the support and maintenance of the City Lunatics, whom we request they will send into the County Asylum.

We authorise the Board of Superintendence to pay in future the expence of sending Convicts to the Hulks for Transportation, out of said funds.

We direct the salary of the Local Inspector of the Gaol to be increased from £46 3s. 1d. per annum to £55 7s. 8d. in consideration of his attending the Prisoners in the Gaol as Apothecary without any salary for that duty.

We direct the Treasurer to lay before the Grand Jury on the first day of every Assizes a return of the names of every individual Assessed to pay the Grand Jury Cess of the previous Assizes, stating the Sum charged on each, and distinguishing those who have paid, and those who have not paid, as directed by the 59th Geo. III. chap. 84, sect. 28.

We present Sir Wheeler Cuffe, Bart. to be an additional Overseer on No. 52 on the Quere Book, being a Presentment to George Cronyn, Esq. and Mr. William Williams, made at last Assizes, to repair 26 perches of the road from Kilkenny to Carlow, in Upper John-street.

We appoint a Special Sessions to be held for the County of said City, at the New Court-house in said City, at the hour of One o'Clock in the Afternoon of the Monday next but one of the day which will be hereafter appointed for holding the next Spring Assizes for the City of Kilkenny, under and pursuant to the 59th Geo. III. chap. 84, for the purpose of receiving proposals for Presentments, and also for receiving Accounting Affidavits for work done pursuant to Presentment.

We direct that One Hundred Copies of the Presentments made at this Assizes shall be Printed and distributed in the usual manner; and that One Hundred Copies of the Schedules of Affidavits, or proposals made at the Special Sessions above named, shall be Printed and distributed in the usual manner.

We direct that no work shall be done in future to the Gaol or Court-house without a proper Estimate being first presented of such works, and approved of by the Grand Jury; and we recommend that no money be granted hereafter by the Grand Jury for any works for which such an Estimate shall not be presented.

We direct the Supervisors to provide gravel or small stones for repairing the roads under their inspection, out of

the 2d per perch allowed to the Deputy-Supervisor ; and it is recommended to future Grand Juries to refuse Presentments for Trespass in drawing gravel for Supervisors' roads.

Two Shillings and Six Pence per diem is the utmost that will be allowed for a Horse and Labourer, and Ten Pence per diem for each Man at work on the roads ; and every Accounting Affidavit must state the name of each person working on the road, and the names of the owners of Horses employed, with the number of days each worked ; and the roads are to be repaired with stones broken small, not with gravel.

We order the Treasurer to lay on the Grand Jury Table on the first day of each Assizes, a List of the Insolvencies which may occur in the previous collection.

We present and appoint the Most Noble, the Marquis of Ormonde, Sir Wheeler Cuffe, Bart., Samuel Mathews, Joseph Greene, Joseph Bradish, John Barwis, Redmond Reade, Richard Sullivan, Charles Madden, William Kingsmill, Nathaniel Alcock, and Thomas C. Duffy, Esqrs., to be a Board of Superintendence of the Gaol, pursuant to the 7th Geo. IV. chap. 74.

We order that the Conservator be informed by our Secretary that his salary shall be discontinued if he shall neglect his duty in keeping the streets and avenues leading to the City free from nuisances, such as dung pits and heaps, pigs, timber, stones, empty cars, and so forth ; that various complaints of such neglect have been laid before the Grand Jury ; and that he is to lay his report of the state of the roads, and other particulars required by the 36th Geo. III. chap. 55, sworn to by him before the Grand Jury on the first day of every Assizes.

We order that if the Court-house Keeper permits the Grand Jury Room or its Offices to be used by persons not

entitled, he shall be charged for any repairs necessary, and also fined for a breach of this order.

We order that all Accounts, Bills, and Documents of every description, on which money is sought to be presented or accounted for, shall be left with the Secretary one day at least previous to each Assizes; otherwise they will not be taken into consideration by the Grand Jury; and in the Affidavits annexed thereto must be stated, that the work done, or the articles furnished (as the case may be) were of the best kind, and the prices charged for the same are the usual prices for such work, and the charges fair and reasonable.

We order that a Copy of the foregoing Orders shall be posted in the Grand Jury Room on the first day of each Assizes.

²
We present the balance due by Robert Way, Esq., the late Treasurer of this City, to be One Hundred and Thirty-five Pounds, Eighteen Shillings, and Seven Pence, Irish Currency.

We present the amount of balance in the Treasurer's hands on the first day of this Assizes to be £473 : 10 : 9 Imperial Currency, as per his account furnished to the Grand Jury.

SPRING ASSIZES, 1828.

We authorise the Board of Superintendance to make provision (out of the funds which we have placed at their disposal) for the support and maintenance of the City Lunatics, whom we request they will send into the County Asylum.

We authorise the Board of Superintendance to pay in future the expence of sending Convicts to the Hulks for Transportation, out of said funds.

+ We direct the salary of the Local Inspector of the Gaol to be increased from £46 3s. 1d. per annum to £55 7s. 8d. in consideration of his attending the Prisoners in the Gaol as Apothecary without any salary for that duty.

We direct the Treasurer to lay before the Grand Jury on the first day of every Assizes, a return of the names of every individual Assessed to pay the Grand Jury Cess of the previous Assizes, stating the Sum charged on each, and distinguishing those who have paid, and those who have not paid, as directed by the 50th Geo. III. chap. 84, sect. 28.

+ We present Sir Wheeler Cuffe, Bart. and Nicholas Kavanagh to be additional overseers on No. 3 on the Quere Book, being a Presentment to George Cronyn, Esq. and Mr. William Williams, made at last Assizes, to repair 26 perches of the road from Kilkenny to Carlow, in Upper John-street.

We appoint a Special Sessions to be held for the County of said City, at the New Court-house in said City, at the hour of One o'Clock in the Afternoon of the Monday next but one of the day which will be hereafter appointed for holding the next Summer Assizes for the City of Kilkenny, under and pursuant to the 59th Geo. III. chap. 84, for the purpose of receiving proposals for Presentments, and also for receiving Accounting Affidavits for work done pursuant to Presentment.

We direct that One Hundred Copies of the Presentments made at this Assizes shall be Printed and distributed in the usual manner; and that One Hundred Copies of the Schedules of Affidavits, or proposals made at the Special Sessions above named, shall be printed and distributed in the usual manner.

We direct that no work shall be done in future to the Gaol or Court-house without a proper Estimate being first presented of such works, and approved of by the Grand Jury; and we recommend that no money be granted hereafter by the Grand Jury for any works for which such an Estimate shall not be presented.

We direct the Supervisors to provide gravel or small stones for repairing the roads under their inspection, out of the 2d per perch allowed to the Deputy-Supervisor; and it is recommended to future Grand Juries to refuse Presentments for Trespass in drawing gravel for Supervisors' roads.

Two Shillings and Six Pence per diem is the utmost that will be allowed for a Horse and Labourer, and Ten Pence per diem for each Man at work on the roads; and every Accounting Affidavit must state the name of each person working on the road, and the names of the owners of Horses employed, with the number of days each worked; and the roads are to be repaired with stones broken small, not with gravel.

We order the Treasurer to lay on the Grand Jury Table on the first day of each Assizes, a List of the Insolvencies which may occur in the previous collection.

We present and appoint the Most Noble the Marquis of Ormonde, Sir Wheeler Cuffe, Bart., Samuel Mathews, Joseph Greene, Joseph Bradish, John Barwis, Redmond Reade, Richard Sullivan, Charles Madden, William Wheeler, Nathaniel Alcock, and Thomas C. Duffy, Esqrs. to be a Board of Superintendence of the Gaol, pursuant to the 7th Geo. IV. chap. 74.

2
+ We order that the Conservator be informed by our Secretary that his salary shall be discontinued if he shall neglect his duty in keeping the streets and avenues leading to the City free from nuisances, such as dung pits and heaps, pigs, timber, stones, empty cars, and soforth; that various complaints of such neglect have been laid before the Grand Jury; and that he is to lay his report of the state of the roads, and other particulars required by the 36th Geo. III. chap. 55, sworn to by him before the Grand Jury on the first day of every Assizes.

2 We order that if the Court-house Keeper permits the Grand Jury Room or its Offices to be used by persons not entitled, he shall be charged for any repairs necessary, and also fined for a breach of this order.

We order that all Accounts, Bills, and Documents of every description, on which money is sought to be presented or accounted for, shall be left with the Secretary one day at least previous to each Assizes, otherwise they will not be taken into consideration by the Grand Jury; and in the Affidavits annexed thereto must be stated, that the work done, or the articles furnished (as the case may be) were of the best kind, and the prices charged for the same are the usual prices for such work, and the charges fair and reasonable.

Ordered, that in future the Apothecary of the Dispensary shall, at the foot of the account sent into the Grand Jury, make Affidavit to the same effect as is done by the Medical Attendants of the several Dispensaries in the County of Kilkenny, viz. :—

County of the City } I
 of Kilkenny. } Apothecary to the Dispensary of

Grand Jury Orders.

SUMMER ASSIZES, 1828.

We authorise the Board of Superintendence to make provision (out of the funds which we have placed at their disposal) for the support and maintenance of the City Lunatics, whom we request they will send into the County Asylum.

We authorise the Board of Superintendence to pay in future the expence of sending Convicts to the Hulks for Transportation, out of said funds.

+ We direct the salary of the Local Inspector of the Gaol to be increased from £46 3s 1d per annum to £55 7s 8d, in consideration of his attending the Prisoners in the Gaol as Apothecary without any salary for that duty.

We direct the Treasurer to lay before the Grand Jury on the first day of every Assizes, a return of the names of every individual Assessed to pay the Grand Jury Cess of the previous Assizes, stating the Sum charged on each, and distinguishing those who have paid, and those who have not paid, as directed by the 59th Geo. III. chap. 34, sect. 28.

We appoint a Special Sessions to be held for the County of said City, at the New Court-house in said City, at the hour of One o'Clock in the Afternoon of Monday the 9th day of March next, under and pursuant to the 59th Geo. III. chap. 84, for the purpose of receiving proposals for Presentments, and also for receiving Accounting Affidavits for work donê, pursuant to Presentment.

We direct that One Hundred Copies of the Presentments made at this Assizes shall be Printed and distributed in the usual manner ; and that One Hundred Copies of the Schedules of Affidavits, or proposals made at the Special Sessions above named, shall be Printed and distributed in the usual manner.

We direct that no work shall be done in future to the Gaol or Court-house without a proper Estimate being first presented for such works, and approved of by the Grand Jury ; and we recommend that no money be granted hereafter by the Grand Jury for any works for which such an Estimate shall not be presented.

We direct the Supervisors to provide gravel or small stones for repairing the roads under their inspection, out of the 2d. per perch allowed to the Deputy-Supervisor ; and it is recommended to future Grand Juries to refuse Presentments for Trespass in drawing gravel for Supervisors' roads.

Two Shillings and Six Pence per diem is the utmost that will be allowed for a Horse and Labourer, and Ten Pence per diem for each Man at work on the roads ; and every Accounting Affidavit must state the name of each person working on the road, and the names of the owners of Horses employed, with the number of days each worked ; and the roads are to be repaired with stones broken small, not with gravel.

We order the Treasurer to lay on the Grand Jury Table on the first day of each Assizes, a List of the Insolvencies which may occur in the previous collection.

We present and appoint the Most Noble the Marquess of Ormonde, Sir Wheeler Cuffe, Bart., Samuel Mathews, Joseph Greene, Joseph Bradish, John Barwis, Redmond Reade, Richard Sullivan, Charles Madden, William Wheeler, Nathaniel Alcock, and Thomas C. Duffy, Esqrs. to be a Board of Superintendence of the Gaol, pursuant to the 7th Geo. IV. chap. 74.

2
+ We order that the Conservator be informed by our Secretary that his salary shall be discontinued if he shall neglect his duty in keeping the streets and avenues leading to the City free from nuisances, such as dung pits and heaps, pigs, timber, stones, empty cars, and soforth ; that various complaints of such neglect have been laid before the Grand Jury ; and that he is to lay his report of the state of the roads, and other particulars required by the 36th Geo. III. chap. 55, sworn to by him before the Grand Jury on the first day of every Assizes.

2 We order that if the Court-house Keeper permits the Grand Jury Room or its Offices to be used by persons not entitled, he shall be charged for any repairs necessary, and also fined for a breach of this order.

We order that all Accounts, Bills, and Documents of every description, on which money is sought to be presented or accounted for, shall be left with the Secretary one day at least previous to each Assizes, otherwise they will not be taken into consideration by the Grand Jury ; and in the Affidavits annexed thereto must be stated, that the work done, or the articles furnished (as the case may be) were of the best kind, and the prices charged for the same are the usual prices for such work, and the charges fair and reasonable.

Ordered, that in future the Apothecary of the Dispensary shall, at the foot of the account sent into the Grand Jury, make Affidavit to the same effect as is done by the Medical Attendants of the several Dispensaries in the County of Kilkenny:—

County of the City } I
 of Kilkenny. } Apothecary to the Dispensary of
 _____ } said City, do swear that there has
 been laid in for the use of said Dispensary £
 worth of Medicines, and other articles, as per account
 furnished and vouchers produced to the Governors, and
 I have not used, and will not use any part of the said Me-
 dicines or other Articles for any purpose whatsoever but
 for the use of said Dispensary, as intended by the Go-
 vernors thereof.

Sworn before me this day of 182

Persons applying for presentments in future, either for making or repairing Roads, Building Bridges, or doing any species of Masonry, are to state the measure in Imperial perches of $16\frac{1}{2}$ feet—the price required to be in proportion of course to the decreased perch.

We order that a Copy of the foregoing Orders shall be posted in the Grand Jury Room on the first day of each Assizes.

2

X We present the balance due by Robert Way, Esq.,
 the late Treasurer of this City, to be One Hundred and
 Thirty-five Pounds, Eighteen Shillings, and Seven Pence,
 Irish Currency. 4

We present the amount of the Treasurer's security to be, himself in the Sum of £ 2,000, and two sureties in the Sum of £ 1,000 each.

We present the amount of Queries on the Quere Book, unaccounted for at this Assizes, to be £ 1,090 : 12 : 7½ Imperial Currency.

+ Whereas, by Presentment of the Grand Jury, at Summer Assizes, 1827, the sum of £ 90 then in the Treasurer's hands, (being part of a sum of £ 150 presented at Spring 1826) to provide a Model and Copy of each of the Imperial Standards of Length, Weight, and Measure, pursuant to the 5th Geo. IV. chap. 74, sect. 12 and 13—was re-presented to be paid to the Board of Superintendance in aid of the Gaol expenses :—And it appearing to this Jury that said sum of Ninety Pounds is now wanting for the original purpose for which it was presented—We direct the Treasurer to take credit in his account with the Board of Superintendance for the said sum of Ninety Pounds, and to pay the said sum, or so much thereof as shall be requisite, to the Mayor, as intended by the original Presentment of Spring 1826. Grand Jury Orders.

SPRING ASSIZES, 1829.

We authorize the Board of Superintendence to make provision (out of the funds which we have placed at their disposal) for the support and maintenance of the City Lunatics, whom we request they will send into the County Asylum.

We authorize the Board of Superintendence to pay in future the expence of sending Convicts to the Hulks for Transportation, out of said fund.

+ We direct the salary of the Local Inspector of the Gaol to be increased from £46 3s 1d per annum to £55 7s 8d, in consideration of his attending the Prisoners in the Gaol as Apothecary without any salary for that duty.

We direct the Treasurer to lay before the Grand Jury on the first day of every Assizes, a return of the names of every individual Assessed to pay the Grand Jury Cess of the previous Assizes, stating the Sum charged on each, and distinguishing those who have paid and those who have not paid, as directed by the 59th Geo. III. chap. 84, sect. 28.

16th or 23rd We appoint a Special Sessions to be held for the County of said City, at the New Court-house in said City, at the hour of One o'Clock in the Afternoon of Thursday the ~~Ninth~~ day of July next, under and pursuant to the 59th Geo. III. chap. 84, and for the purpose of receiving proposals for Presentments, and also for receiving Accounting Affidavits for work done, pursuant to Presentment.

We direct that One Hundred Copies of the Presentments made at this Assizes shall be Printed and distributed in the usual manner; and that One Hundred Copies of the Schedules of Affidavits, or proposals made at the Special Sessions above named, shall be Printed and distributed in the usual manner.

We direct that no work shall be done in future to the Gaol or Court-house without a proper Estimate being first presented for such works, and approved of by the Grand Jury; and we recommend that no money be granted hereafter by the Grand Jury for any works for which such an Estimate shall not be presented.

We direct the Supervisors to provide gravel or small stones for repairing the roads under their inspection, out of the 2d per perch allowed to the Deputy-Supervisor; and it is recommended to future Grand Juries to refuse Presentments for Trespass in drawing gravel for Supervisors' roads.

Two Shillings and Six Pence per diem is the utmost that will be allowed for a Horse and Labourer, and Ten Pence per diem for each Man at work on the roads; and every Accounting Affidavit must state the name of each person working on the road, and the names of the owners of Horses employed, with the number of days each worked; and the roads to be repaired with stones broken small, not with gravel.

We order the Treasurer to lay on the Grand Jury Table on the first day of each Assizes, a List of the Insolventies which may occur in the previous collection.

We present and appoint the most Noble the Marquess of Ormonde, Sir Wheeler Cuffe, Bart., Samuel Mathews, Joseph Greene, Joseph Bradish, John Barwis, Redmond Reade, Richard Sullivan, Charles Madden, William Wheeler, Nathaniel Alcock, and Thomas C. Duffy, Esqrs. to be a Board of Superintendence of the Gaol, pursuant to the 7th Geo. IV. chap. 74.

We order that the Conservator be informed by our Secretary that his salary shall be discontinued if he shall neglect his duty in keeping the streets and avenues leading to the City free from nuisances, such as dung pits and heaps, pigs, timber, stones, empty cars, and soforth; that various complaints of such neglect have been laid before the Grand Jury; and that he is to lay his report of the state of the roads, and other particulars required by the 36th Geo. III. chap. 55, sworn to by him before the Grand Jury on the first day of every Assizes.

We order that if the Court-house Keeper permits the Grand Jury Room or its Offices to be used by persons not entitled, he shall be charged for any repairs necessary, and also fined for a breach of this order.

We order that all Accounts, Bills, and Documents of every description, on which money is sought to be presented or accounted for, shall be left with the Secretary one day at least previous to each Assizes, otherwise they will not be taken into consideration by the Grand Jury; and in the Affidavits annexed thereto must be stated, that the work done, or the articles furnished, (as the case may be) were of the best kind, and the prices charged for the same are the usual prices for such work, and the charges fair and reasonable.

Ordered, that in future the Apothecary of the Dispensary shall, at the foot of the account sent into the Grand Jury, make Affidavit to the same effect as is done by the Medical Attendants of the several Dispensaries in the County of Kilkenny :—

County of the City } *I*
of Kilkenny. } *Apothecary to the Dispensary of*
 _____ } *said City, do swear that there has*
been laid in for the use of said Dispensary £
worth of Medicines, and other articles, as per account
furnished and vouchers produced to the Governors, and
I have not used, and will not use any part of the said Me-
dicines or other Articles for any purpose whatsoever but
for the use of said Dispensary, as intended by the Go-
vernors thereof.

Sworn before me this *day of* *182*

Persons applying for Presentments in future, either for making or repairing Roads, building Bridges, or doing any species of Masonry, are to state the measure in Imperial perches of 16½ feet—the price required to be in proportion of course to the decreased perch.

We order that a Copy of the foregoing Orders shall be posted in the Grand Jury Room on the first day of each Assizes.

We present the Balance due by Robert Way, Esq., the late Treasurer of this City, to be One Hundred and Thirty-five Pounds, Eighteen Shillings, and Seven Pence, Irish Currency.

+ We direct our Secretary to apply to Mr. Way for said Balance, and if that application should not be attended to, that inquiry be made as to his property, with a view of proceeding for the recovery of such Balance,

We present the amount of Balance in the Treasurer's hands on the first day of this Assizes to be £563 : 17 : 4 Imperial Currency, as per his account furnished to the Grand Jury.

We present the amount of the Treasurer's security to be, himself in the sum of £2,000, and two sureties in the sum of £1,000 each.

We present the amount of Queries on the Quere Book, unaccounted for at this Assizes, to be £1,090 : 12 : 7½ Imperial Currency.

+ Whereas, by Presentment of the Grand Jury, at Summer Assizes, 1827, the sum of £90 then in the Treasurer's hands, (being part of a sum of £150 presented at Spring 1826) to provide a Model and Copy of each of the Imperial Standards of Length, Weight, and Measure, pursuant to the 5th Geo. IV. chap. 74, sect 12 and 13—was represented to be paid to the Board of Superintendence in aid of the Gaol expences:—And it appearing to this Jury that the said sum of Ninety Pounds is now wanting for the original purpose for which it was presented—We direct the Treasurer to take credit in his account with the Board of Superintendence for the said sum of Ninety Pounds, and to pay the said sum, or so much thereof as shall be requisite, to the Mayor, as intended by the original Presentment of Spring 1826.

+ Resolved—That we agree with the Grand Jury of the County of Kilkenny, that it is desirable to have the House of Industry or House of Correction converted into a Prison for the County and County of the City of Kil-

kenny, for Females only, and We are willing to co-operate with them in having the measure carried into effect.

At a General Quarter Sessions of the Peace, held in and for the County of the City of Kilkenny, the 17th day of January, 1828 :—

WE, the Justices of the Peace assembled at said Sessions, do hereby Order, that the County of said City, consisting of the Parishes of Saint Mary, Saint John, Saint Canice, and Saint Patrick, shall be formed into one Jurisdiction for the purposes of the Act of the 7th and 8th of his present Majesty King George IV. chap. 67, entitled, "An Act for the better administration of Justice at the holding of Petty Sessions by the Justices of the Peace in Ireland:"—and WE do hereby fix the Public Court-House of said City as the Place wherein the Petty Sessions under said Act shall be holden for the County of said City.

Grand Jury Orders,

SUMMER ASSIZES, 1829.

We authorize the Board of Superintendence to make provision (out of the funds which we have placed at their disposal) for the support and maintenance of the City Lunatics, whom we request they will send into the County Asylum.

We authorize the Board of Superintendence to pay in future the expense of sending Convicts to the Hulks for Transportation, out of said fund.

+ We direct the salary of the Local Inspector of the Gaol to be increased from £46 3s 1d per annum to £55 7s 8d in consideration of his attending the Prisoners in the Gaol as Apothecary without any salary for that duty.

We direct the Treasurer to lay before the Grand Jury on the first day of every Assizes, a return of the names of every individual Assessed to pay the Grand Jury Cess of the previous Assizes, stating the Sum charged on each, and distinguishing those who have paid and those who have not paid, as directed by the 55th Geo. III. chap 84, sect. 28.

We appoint a Special Sessions to be held for the County of said City, at the New Court-house in said City, at the hour of One o'clock in the Afternoon of Thursday the 11th March next under and pursuant to the 59th Geo. III. chap. 84, and for the purpose of receiving proposals for Presentments, and also for receiving Accounting Affidavits for work done, pursuant to Presentment.

We direct that One Hundred Copies of the Presentments made at this Assizes shall be printed and distributed in the usual manner; and that One Hundred Copies of the Schedules of Affidavits, on Proposals made at the Special Sessions above named, shall be printed and distributed in the usual manner.

We direct that no work shall be done in future to the Gaol or Court-house without a proper Estimate being first presented of such works, and approved of by the Grand Jury; and we recommend that no money be granted hereafter by the Grand Jury for any works for which such an Estimate shall not be presented.

We direct the Supervisors to provide gravel or small stones for repairing the roads under their inspection, out of the 2d per perch allowed to the Deputy-Supervisor; and it is recommended to future Grand Juries to refuse Presentments for Trespass in drawing gravel for Supervisor's roads.

Two Shillings and Six Pence per diem is the utmost that will be allowed for a Horse and Labourer, and Ten Pence per diem for each Man at work on the roads; and every Accounting Affidavit must state the name of each person working on the road, and the names of the owners of Horses employed, with the number of days each worked; and the roads are to be repaired with stones broken small, not with gravel.

We order the Treasurer to lay on the Grand Jury Table, on the first day of each Assizes, a List of the Insolvencies which may occur in the previous collection.

We present and appoint the Most Noble the Marquess of Ormonde, Sir Wheeler Cuffe, Bart., Samuel Mathews, Joseph Bradish, John Barwis, Redmond Reade, Richard Sullivan, Charles Madden, Thomas C. Duffy, William Wheeler, Nathaniel Alcock, and Henry Gore, Esqrs. to be a Board of Superintendence of the Gaol, pursuant to the 7th Geo. IV. chap. 74.

We order that the Conservator be informed by our Secretary that his salary shall be discontinued if he shall neglect his duty in keeping the streets and avenues leading to the City free from nuisances, such as dung pits and heaps, pigs, timber, stones, empty cars, and soforth; that various complaints of such neglect have been laid before the Grand Jury; and that he is to lay his report of the state of the roads, and other particulars required by the 36th Geo. III. chap. 55, sworn to by him before the Grand Jury on the first day of every Assizes.

We order that if the Court-house Keeper permits the Grand Jury Room or its Offices to be used by persons not entitled, he shall be charged for any repairs necessary, and also fined for a breach of this order.

We order that all Accounts, Bills, and Documents of every description, on which money is sought to be presented or accounted for, shall be left with the Secretary one day at least previous to each Assizes, otherwise they will not be taken into consideration by the Grand Jury; and in the Affidavits annexed thereto must be stated, that the work done, or the articles furnished, (as the case may

be) were of the best kind, and the prices charged for the same are the usual prices for such work, and the charges fair and reasonable.

Ordered, that in future the Apothecary of the Dispensary shall, at the foot of the account sent into the Grand Jury, make Affidavit to the same effect as is done by the Medical Attendants of the several Dispensaries in the County of Kilkenny :—

*County of the City } I
of Kilkenny. } Apothecary to the Dispensary of
_____ said City, do swear that there has
been laid in for the use of said Dispensary £
worth of Medicines, and other articles, as per account
furnished and vouchers produced to the Governors, and
I have not used, and will not use any part of the said Me-
dicines or other articles for any purpose whatsoever but
for the use of said Dispensary, as intended by the Go-
vernors thereof.*

Sworn before me this _____ day of _____ 182

Persons applying for Presentments in future, either for making or repairing Roads, building Bridges, or doing any species of Masonry, are to state the measure in Imperial perches of $16\frac{1}{2}$ feet—the price required to be in proportion of course to the decreased perch.

We order that a Copy of the foregoing Orders shall be posted in the Grand Jury Room on the first day of each Assizes:

+ 2 We present the Balance due by Robert Way, Esq., the late Treasurer of this City, to be One Hundred and Thirty-five Pounds, Eighteen Shillings, and Seven Pence, Irish Currency.

We direct our Secretary to apply to Mr. Way for said Balance, and if that application shall not be attended to by the immediate discharge of said Balance, We hereby authorize and empower Mr. Watters to proceed forthwith for the recovery of same, and to extend to Mr. Way every indulgence consistent with the ulterior security of the payment of the money to the public.

We present the amount of Balance in the Treasurer's hands on the first day of this Assizes to be £799 : 3 : 10 Imperial Currency, as per his account furnished to the Grand Jury.

We present the amount of the Treasurer's security to be, himself in the sum of £2,000, and two sureties, viz., Geo. Leech and William Preston Leech, Esqrs., in the sum of £1,000 each.

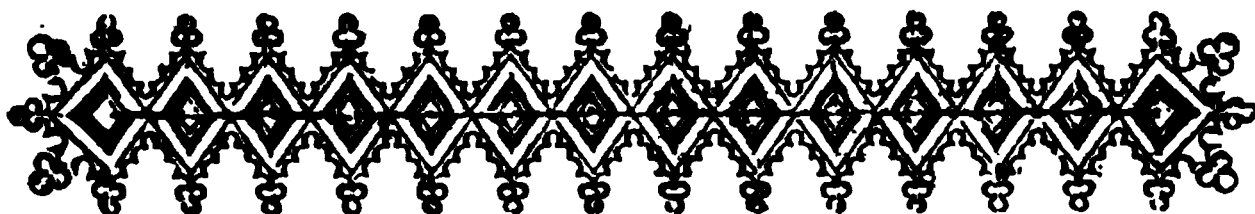

We present the amount of Queries on the Quere Book, unaccounted for at this Assizes, to be, £1,242 and 1 : 6 Imperial Currency.

Whereas, by Presentment of the Grand Jury, at Summer Assizes, 1827, the sum of £90 then in the Treasurer's hands, (being part of the sum of £150 presented at Spring 1826) to provide a Model and Copy of each of the Imperial Standards of Length, Weight, and Measure, pursuant to the 5th Geo. IV. chap. 74, sect. 12, and 13—was re-presented to be paid to the Board of Superintendence in aid of the Gaol expences.—And it appearing to this Jury that the said sum of Ninety Pounds is now wanting for the original purpose for which it was presented—We direct the Treasurer to take credit in his account with the Board of Superintendence for the said sum of Ninety Pounds, and to pay the said sum, or so much thereof as shall be requisite, to the Mayor, as intended by the original Presentment of Spring 1826.
